GETTING STITCHED

Monogramming is the ultimate preppy status symbol, and it's now the chicest way to put your stamp on everything from notebooks to bikinis. The monogram is a classic symbol of status and style, and it's now being used in a way that's both modern and timeless. From the classic 'JRP' to the more contemporary 'KRBK', monogramming is a way to personalize your wardrobe and accessories. It's a way to show off your style and your status, and it's a way to make your own statement. Monogramming is a timeless trend that's never going out of style.

Pink and green loafers with monograms.

Purple tote bag with a white monogram.
