APRICOT MOONSTONE AND CORAL EARRINGS, \$130, AERO & CO., 800-663-6651

What impresses us most about Madley earrings and bracelets is how they jingle with twinkly sequins, silvery strands, and candy-colored beads. "The way jewelry moves and feels on your skin is important to me," says Venice-based designer Coryn Madley of her one-year-old line. Madley, who studied at the Rhode Island School of Design and Central St. Martins in London, expertly combines disparate elements like rough matte metals and delicate carved coral, vintage crystals, and Victorian heirlooms into irresistible works of art. Our current favorites: elegant apricot moonstone and coral earrings (\$130); a wear-with-everything silver chain bracelet (\$130); and a bone rosebud key chain (\$50) that's so pretty, you have to show it off. Available at **Aero & Co.**, 8402 W. Third St., 800-663-6651.
