SYDNEY'S SEQUEL

Four years after Sydney Michelle burst onto the O.C. scene with a rep for casual chic style and all things Juicy, owner Courtney Ellis decided it was time to spread the love. The insider boutique on Balboa Island has cloned itself in West L.A., bringing along the same bubblegum-pink interior and next-big-thing designers. Ellis is famous for unearthing. The Angeleno arsenal also boasts fashionista basics like Catherine Malandrino, Primp, and S.J. Philip Lim—lines that Ellis stocked in O.C. long before they were front and center in fashion mags. *Sydney Michelle, 2942 Beverly Glen Circle, Los Angeles, 110.470.878. —Kerstin Wohle*
